

Nurses Reconnected

Have you ever wondered what happened to the nurses you trained or worked with in the past ?

Nurses Reconnected is a new service run by nurses for nurses. It's free to register and search our database of thousands of nurses worldwide. You can select a hospital and a year and see if your long lost colleagues are waiting to hear from you.

Plus free useful resources that have been recommended by Nurses

STAFF ROTA SOFTWARE - save hours every month
CARE PLANS - suggested goals, actions & outcomes
NURSING LIBRARY - a huge database
DRUG DATABASE - almost all known drugs
MEDICAL DICTIONARY - totally comprehensive
CV TEMPLATE - create your own impressive CVs
EXPERT ADVICE - professional advice via e-mail
GLOBAL MAPPING - ideal for community staff
STROKE - a useful teaching tool for those involved in the care and rehabilitation of the stroke sufferer

MYOCARDIAL INFARCTION - an in depth look at the causes of M.I.
ANATOMY & PHYSIOLOGY - an invaluable and comprehensive resource
FIRST AID - a more than useful guide to First Aid
DIABETES - informative and helpful for Nurses and patients in understanding diabetes and its effects
EPILEPSY - an introduction to the causes of this often misunderstood condition
